

Article 39.

Interstate Compact on Adoption and Medical Assistance.

**§ 7B-3900. Legislative findings and purposes.**

(a) Finding adoptive families for children, for whom state assistance is desirable pursuant to G.S. 108A-49 and G.S. 108A-50, and assuring the protection of the interests of the children affected during the entire assistance period require special measures when the adoptive parents move to another state or are residents of another state. Additionally, the provision of medical and other necessary services for children receiving State assistance encounters special difficulties when the provision of services takes place in another state.

(b) In recognition of the need for special measures, the General Assembly authorizes the Secretary of the Department of Health and Human Services to enter into interstate agreements with agencies of other states for the protection of children on behalf of whom adoption assistance is being provided by the Department of Health and Human Services and to provide procedures for interstate adoption assistance payments, including payments for medical services.
